DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Paul Haughey on March 27, 2007.

The application has been amended as follows:

a) Regarding to claim 12,

On line 13, please change "the host communication state" to -- a host communication state --.

On line 16-17, please change "the device communication state" to --a device communication state --.

b) Regarding to claim 13,

On line 2, please change "comprise" to -- comprises --; and change "communication states" to -- communication state --.

On line 3, please change "comprise" to -- comprises --.

c) Regarding to claim 29,

On line 21, please change "said" to -- a -- before "second".

On line 25, please delete "same" before "second".

d) Regarding to claim 35,

On line 11, please delete "same" before "second".

Allowable Subject Matter

2. Claims 12, 13, 29, 31, and 33-35 are allowed.
3. The following is an examiner's statement of reasons for allowance:

None of the prior art teaches or suggests a wireless communication system establish communication identification status between a human interface device and a host transceiver unit, wherein the host transceiver unit transmits a proposal identification; and the human interface device transmitting the identical proposal identification back to the host transceiver unit. In addition, the host transceiver unit is configured to broadcast at one of a plurality of host spread spectrum modulation patterns as a function of host communication state; and the human interface device is configured to broadcast at one of a plurality of device spread spectrum modulation patterns as a function of a device communication state.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Eva Y Zheng whose telephone number is 571-272-3049. The examiner can normally be reached on M-F, 7:30 AM to 5:00 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Chieh Fan can be reached on 571-272-3042. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
